

**Please read this information before filling out the *Clinic Request!***

You will be contacted by one of TCC's schedulers when we have an available clinic. All cats taken to clinic will be neutered, vaccinated for Rabies and Distemper, and given a product called Revolution. This product kills fleas, ear mites and worms (except tape worm). You can also request a combo test for Felv at an additional cost to you. (\$10 at \$55.00 clinic, \$42.50 at \$80.00 clinic. Priority is given to pregnant females.

**Which Clinic are you able to afford**>If you are choosing the \$55 clinic, cats MUST be in a trap & ear tip is mandatory. No cats in carriers will be accepted upon arrival. **Payment by check** made out to: The Colony Caregivers OR **Cash** at time of drop off for this clinic.

**For additional FEE you can choose:**

Droncit (worming)/ Revolution (flea control)	\$20.00
Feline Leukemia Testing	\$15.00

**Regarding the outcome of the Feline Leukemia test, if positive Options**

1. Prefer that cat be euthanized
2. Prefer that the cat be spayed/neutered and returned to me. **Package** \$30.00

If you would like these additional services please indicate it in the Comment section and make sure your payment includes these additional Fees.

The **\$80** clinic will allow carriers & will allow no ear tip, however, the cat must be friendly enough for staff to handle safely. ADDITIONAL FEE for Felv (combo test) \$42.50

**Payment by check** made out to [The Colony Caregivers](#), **cash or charge** card can be left at veterinary clinic.

**County & Town where cats are located**> Please provide both. Your mailing address may not be the same as the town.

**Are you willing to trap**> Trap/s will be provided to you and instructions given on the best way to capture the cat/s when assigned to a clinic. Trapping these animal mainly requires you to be patient and follow instructions given on how to trap. It may take you several days to be successful and you will be given traps days before the clinic so you can be successful.

**Do you have your own humane trap**> We do provide traps but you may be asked to pick up your traps depending on your location in the county.

[Due to the low number of volunteers with the organization we are asking you to consider this when answering this question.](#)

**Are you willing to transport**> The \$55.00 clinic will require you to transport your cat/s to a location in Canandaigua or take your cat/s directly to the clinic.. The \$80 clinic requires you to transport and fill out the [Client Forms for Phelps Veterinary Hospital](#) (on this website page-lower left). If not filled out before going to the clinic you will have to fill these forms out when you drop off the cat/s between 7:30 AM and 8:00 AM. IF you are unable to do either please indicate in the *COMMENTS* area the reasons for not being able to help with transport.

NOTE: If you have more than 6 cats you will be required to fill out the [Colony Registration Form](#) (tab on this website) and [Caretaker Responsibilities for TNVR](#) form before cats are scheduled for any clinic.
